# Value Added Services for the Tuition Sector

# Introduction to m2r Education

Grow your tuition business with **innovative solutions** trusted across the education sector.

m2r Education are a UK based, multi award winning company offering bespoke services to the education sector.

Established in 2001, we have won numerous local, national and international business awards.

At m2r Education, we help tuition providers scale with cutting-edge AI tools, compliant tutor recruitment, premium language learning solutions and expert business development support.

Please get in touch if we can help.

"It has been a pleasure collaborating with m2r Education. We were looking for an instant position to be filled over the weekend and he provided an outstanding tutor who matches our company's criteria, all in line with safeguarding regulations. The feedback from the parents has been extremely positive, and I know who to reach out to if we are ever stuck in the same position again." **Josh, TeachWise Tutoring**

"m2r Education provide leading edge AI solutions which Tutor Aim is using to enhance its educational assessments and customer experience. m2r Education have really added value by helping Tutor Aim to further differentiate via both AI based customer feedback and regular assessments. I strongly recommend m2r Education as your long-term partner." **Dave, Tutor Aim**

"I have recently engaged Munir as our Head of Business Development. Munir helped us to create new marketing material prior and then attended numerous meetings at an international education conference. His hard work and continued efforts have already borne fruit. Munir is extremely knowledgeable and a pleasure to work with and I would recommend his services to anyone looking to develop an international presence." **Zac, Newman Tuition**

# Business Development Support

## Expert sales & marketing support to help you scale

### If you're:

- Short on time
- Unsure how to grow
- Not confident with sales
- Needing part-time strategic support

I can step in and drive growth with you.

### Expertise

- 30+ years' sales & marketing experience (UK & international)
- 15+ years working in the education sector
- MBE for Services to Education & Export
- DBT Export Champion

As an accomplished professional, recognised with an MBE for Services to Education and Export, I am passionate about helping UK education businesses expand globally. I bring deep expertise in promoting educational services in key global markets and my mission is to turn international ambitions into measurable, real-world results.

This service is delivered independently by m2r Education Director, Munir Mamujee MBE. Contact Munir directly for a confidential discussion.

“I met Munir in person in when we were part of the Northern Powerhouse delegation with the Department of Business and Trade. From the outset, Munir demonstrated a rare combination of deep sector knowledge, professionalism and approachability. He made me feel at ease immediately and took a proactive role in ensuring I understood how to engage effectively with delegates and maximise the opportunities available. His guidance covered everything from strategic introductions and booth presentation tips to answering all of my questions with clarity and patience. Working with Munir was not only a privilege, but a turning point in how I approach business networking. I would highly recommend his services to any organisation looking to make a meaningful impact internationally.” **Jane Bilham, Owner, Vireo Education**
