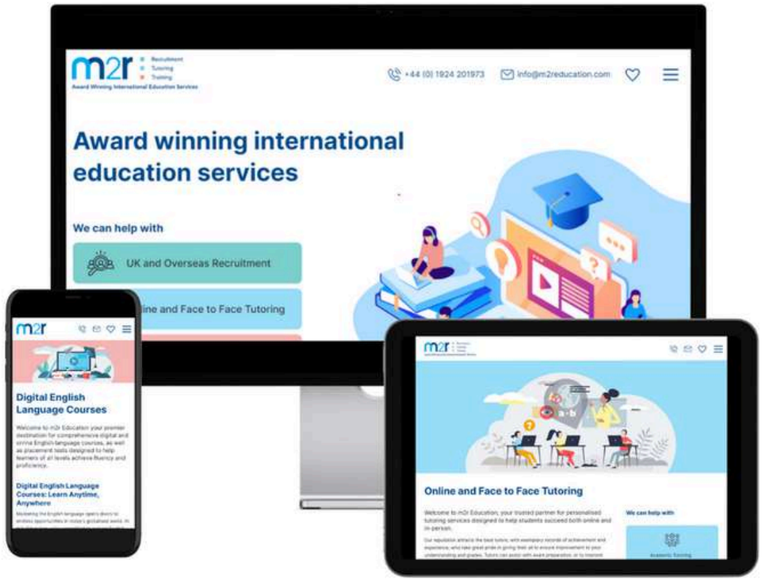
Education Recruitment

Leverage your contacts in the education sector

We have over 15 years experience supplying academics and non academics to organisations across the world.

If you are able to provide us with highly qualified applicants, or connect us to potential clients, then we can pay you an excellent commission for doing so.

We are always looking for recruitment partners who are interested in working with us on a commission only basis.



At a glance

- We will provide you with vacancies to work on and provide candidates.
- If you have excellent business contacts in the education sector then we can work together to win contracts and then pass you the vacancies to fill.

Why pass us leads?

- You may not wish to work in recruitment full time, but have a good list of contacts.
- Your business model may be set up to work as a partner and save a lot of the headache associated with recruitment.

Partner information

- Receive a healthy commission for providing us with applicants for our roles, or by introducing us to new clients.
- Once the introduction is made, we will do the rest.
