

British Professional *Tuition Programme*

Professionalise the people who support learning.

BPTP

Offer

1 of 4

Build confident foundations for supporting learning

A practical Level 6 programme endorsed by AIM for tutors and professionals working across the wider international education ecosystem.

10 HOURS

GUIDED TUITION

40 HOURS

GUIDED READING AND SELF-STUDY

3 THEMES

INTEGRATED LEARNING

What participants develop

- Build ethical, professional tutoring practice
- Plan learning around memory and cognitive load
- Use modelling, questioning and feedback effectively
- Support engagement, SEND and learner wellbeing

WHO IT IS FOR

For those supporting learning

Tutors, learning support assistants, shadow teachers, classroom assistants, study-skills tutors and international educators.

DRAGONFLY TRAINING - BTD SCHOOL-LEADER TESTIMONIAL

"We have placed five members of staff onto The BTd and all five have not only found the programme incredibly interesting and beneficial but thoroughly enjoyable as well. The direct benefits can already be seen in the classroom."

Sakhawat Ali | Headteacher, Cardiff Muslim School

Feedback relates to Dragonfly's BTd delivery and indicates provider quality; it is not a review of this specific offer.

PROFESSIONAL LEARNING PATHWAY

Build the foundations for professional educational practice.

LEVEL 6

PROFESSIONAL LEARNING

What participants develop

- Translate evidence into stronger classroom practice
- Plan purposeful learning and check understanding
- Develop modelling, guided practice and assessment
- Create a clear pathway towards the Level 7 BTD

WHO IT IS FOR

For practising educators

Teachers, lecturers and educational practitioners seeking focused, internationally relevant professional development.

DRAGONFLY TRAINING - BTD SCHOOL-LEADER TESTIMONIAL

"It's been a really valuable experience for our teachers. It's grounded in theory but also has a strong emphasis on classroom application, which makes the learning very relevant."

K V Arjun Rao | Principal, Bombay International School
